

Sheffield Hallam Uni

Project

Sheffield Hallam Uni

Project

Opportunity

The brief was to provide contemporary furniture for the brand new Heart of the Campus building which is sited in a conservation area at Sheffield Hallam University.

The building is designed as a series of 'villa' scaled units surrounding a courtyard or atrium and won the RIBA Yorkshire Award 2015.

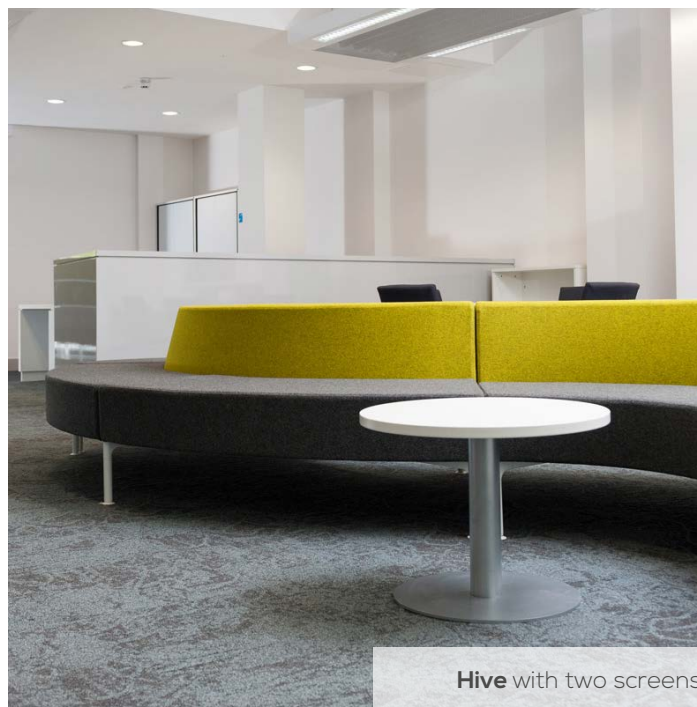

Sheffield Hallam Uni Project

Solution

A variety of Connection products, including several **Hive** configurations, **Mortimer**, **Kala** and **Korus** chairs, were used to create contemporary comfortable multi-use seating areas for learning, collaboration and socialising.
